DON'T MISS THE FALL LUNCHEON!

Our speaker is **Monte Reel**, author of *A Brotherhood of Spies*

Dr. Land was one of 4 men instrumental in the U-2 story of the Cold War working hard and in secret to avoid a nuclear war.

“This secret fraternity, made up of Edwin Land, best known as the inventor of instant photography and the head of Polaroid Corporation; Kelly Johnson, a hard-charging taskmaster from Lockheed; Richard Bissell, the secretive and ambitious spymaster; and ace Air Force flyer Francis Gary Powers, set out to replace yesterday’s fallible human spies with tomorrow’s undetectable eye in the sky.”

"A thrilling dramatic narrative of the top-secret Cold War-era spy plane operation that transformed the CIA and brought the U.S. and the Soviet Union to the brink of disaster."
